

REMARKS

This Amendment is being filed in response to the Final Office Action mailed February 28, 2008, which has been reviewed and carefully considered. Entry of the present amendment and allowance of the present application in view of the amendments made above and the remarks to follow are respectfully requested.

Claims 1-6 and 8-17 remain in this application, where claim 7 has been canceled.

By means of the present amendment, claims 4-5 have been amended for non-statutory reasons, such as for better form. Such amendments to claims 4-5 were not made in order to address issues of patentability and Applicants respectfully reserve all rights under the Doctrine of Equivalents.

In the Final Office Action, the Examiner indicated that claims 7-10 and 12-14 would be allowable if rewritten in independent form. Applicants gratefully acknowledge the indication that claims 7-10 and 12-14 contain patentable subject matter. By means of the present amendment, independent claim 1 has been amended to include the features of allowable claim 7 which has been canceled, without

including certain features that are believed to be not necessary for patentability. Further, claim 12 has been rewritten in independent form. In addition, claim 17 has been amended to include features similar to allowable claim 7 and thus should be allowable.

Accordingly, it is respectfully submitted that independent claims 1, 12 and 17 is allowable, and allowance thereof is respectfully requested. In addition, it is respectfully submitted that claims 2-6, 8-11 and 13-16 should also be allowed at least based on their dependence from independent claims 1 and 12.

In addition, Applicants deny any statement, position or averment of the Examiner that is not specifically addressed by the foregoing argument and response. Any rejections and/or points of argument not addressed would appear to be moot in view of the presented remarks. However, the Applicants reserve the right to submit further arguments in support of the above stated position, should that become necessary. No arguments are waived and none of the Examiner's statements are conceded.

In view of the above, it is respectfully submitted that the present application is in condition for allowance, and a Notice of Allowance is earnestly solicited.

Respectfully submitted,

By
